Data Reporting

Each quarter, your company will need to submit the weight of portable batteries that you have placed on the UK market. Data submissions will be via the online portal. Once we have received your application form, a user account will be created for you to login and submit your data.

Any information or data reported to BatteryBack regarding battery compliance must be provided by an 'Appropriate Person'. This can either be a Director or Company Secretary listed at Companies House. An appropriate person can delegate their responsibility for quarterly data submission of batteries placed onto the UK market by completing the relevant form from the Environment Agency.

If you are a producer of industrial or automotive batteries you will also need to annually submit the weight of these that have placed on the market.

The reporting deadlines for batteries placed on the UK market are as follows:

Q1 Portable	15 th April
Q2 Portable	15 th July
Q3 Portable	15 th October
Q4 Portable	15 th January
Annual industrial and automotive	15 th January

If for any reason you are not able to meet these deadlines please let BatteryBack know as soon as possible as penalties may be payable for late submissions.

Declaration

I confirm that I am a Director or The Company Secretary, or equivalent for the company stated overleaf, agree to comply with the BatteryBack Scheme Rules and confirm that the information provided is as accurate as reasonably possible.
