Data Reporting

Any information or data reported to BatteryBack regarding battery compliance must be provided by an 'Appropriate Person'. This can either be a Director or Company Secretary listed on Companies House. However, by ticking the box below, an appropriate person can delegate their responsibility to the contact provided overleaf.

Each quarter you will need to submit the weight of portable batteries you have placed on the UK market. Data submissions will be via the online portal. Once we have received your application form a user account will be created for you to login and submit your data.

If you are a producer of Industrial or Automotive batteries you will also need to annually submit the weight you have placed on the market.

The reporting deadlines for batteries placed on the UK market are as follows:

Q1 Portable	15 th April
Q2 Portable	15 th July
Q3 Portable	15 th October
Q4 Portable	15 th January
Annual Industrial & Automotive	15 th January

If for any reason you are not able to meet these deadlines please let BatteryBack know as soon as possible.

Declaration

I confirm that I am a Director or The Company Secretary, or equivalent for the company stated overleaf, agree to comply with the BatteryBack Scheme Rules and confirm that the information provided is as accurate as reasonably possible.
